These procedures are in place to ensure that each major Mandated Related Party transactions is approved and reviewed by the Directors or authorised personnel, based on terms not more favourable to the Mandated Related Parties than those generally available to the public, on arm's length basis and are not to the detriment of the minority shareholders, giving due consideration to all circumstances of each transaction.

These procedures include the following:

- (ii) Market prices will be used to determine the transaction price for sales to Mandated Related Parties.
- (iii) Market value will be used to determine the rental sum in respect of renting of premises.

- (iv) On a quarterly basis, the procedures and guidelines pertaining to Mandated Related Party transactions will be reviewed by the management of Kim Hin and the Audit Committee to ensure that the terms of the transactions are not more favourable to the Mandated Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders.
- (v) The annual internal audit plan shall incorporate a review of all Related Party Transactions to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to. Should any discrepancies arise relating to the procedures and guidelines, proper steps would be taken to rectify them accordingly.

These would ultimately benefit the Group and the shareholders by enhancing profitability and returns on shareholders' funds.

6. CONDITIONS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is conditional upon approval being obtained from the shareholders of Kim Hin at the forthcoming AGM.
